*“ I enjoy working
with people, meeting
new friends, and
helping make the
Senior Center a
place where everyone
feels welcome and
connected. ”*

Joan Lieback, *Board Trustee*

Joan Lieback has proudly called Manchester home since 1998. After retiring this year at the age of 65, she is excited to give back to the community that has meant so much to her.

A member of the Manchester Area Senior Center for the past five to six years, Joan has enjoyed the friendships, activities, and welcoming atmosphere the center provides. Inspired by those experiences, she joined the Board of Trustees to help support the center's continued growth and ensure it remains a place where older adults can connect, learn, and thrive.

Joan believes in the importance of giving back and hopes to use her experience, compassion, and willingness to help support the center's mission. She enjoys working with others, meeting new people, and contributing ideas that will strengthen programs and services for area seniors.

Known for her friendly personality and team-oriented approach, Joan values building relationships and creating a welcoming environment where everyone feels included.

Joan is grateful for the opportunity to serve the Manchester Senior Citizens Council and is honored to be part of an organization that makes such a positive difference in our community.

*Thank you, Joan,
for your leadership
and dedication!*
