“

*Giving back to a
community that has
given so much to her and
her family.*

”

Pat Vaillencourt, *Board Treasurer*

Pat Vaillencourt has been a Manchester resident for fifty years and is deeply committed to serving her community. As Board Treasurer of the Manchester Senior Citizens Council, where she has served for approximately eight years, Pat plays a vital role in supporting the organization's mission. She also serves as Mayor of Manchester.

Pat's passions are rooted in people and community. She has a love for quilting and finds great joy in giving back to a community that has given so much to her and her family.

At home, Pat is surrounded by the family she treasures: five children, eight grandchildren, five great grandchildren, and her love of her life, Dwayne.

*Thank you, Pat,
for your leadership
and dedication!*
