

MEET OUR *Board*

*Dedicated Leaders.
Caring Hearts.
Stronger Community.*

PATTI MCCABE

Board President

*“Bringing people together
across generations with
warmth, creativity, and
an inclusive spirit.”*

”

Patti McCabe, *Board President*

Patti McCabe is a devoted educator with over 50 years of dedicated service to young people in the Romulus and Manchester communities. A proud Manchester resident for nearly 40 years, she has deep roots in the community she loves and continues to serve.

Patti is currently celebrating her one-year anniversary as President of the Manchester Senior Citizens Council, a role that reflects her lifelong commitment to bringing people together across generations. Her leadership style is rooted in warmth, inclusivity, and a genuine passion for the well-being of others.

Beyond her work in education and community service, Patti has a deep love for fiber crafting — particularly rug hooking — and channels that same creative energy into her broader mission of supporting the emotional well-being and health of people of all ages. Whether in the classroom, the senior citizen center, or the crafting circle, her dedication and spirit have left a lasting impression on everyone fortunate enough to cross her path.

*Thank you, Patti,
for your leadership
and dedication!*
