Holly McDermott, *Executive Director*

Holly McDermott was hired as the Executive Director of the Manchester Senior Center in January 2026. She is honored to serve the seniors of Manchester and is excited to build on the strong foundation already in place.

With more than 20 years of experience in customer service, event coordination, and administration, Holly brings a passion for people, organization, and creating welcoming experiences. Before joining the Senior Center, she worked with Dexter Community Schools. Prior to that, she spent many years at Schoolcraft College as a Banquet & Catering Supervisor and Event Services Coordinator, where she led teams and coordinated large-scale events.

Holly is a proud mom to three wonderful children—two daughters and one son. She is blessed with two amazing son-in-laws, one daughter-in-law, and three beautiful grandchildren. Family time is her favorite!

Holly looks forward to meeting our members, volunteers, and community partners. Please stop by, say hello, and share your ideas—
I love to create wonderful experiences for our seniors to enjoy!
