“

*Four decades of
community knowledge
and a genuine desire to
serve.*

”

Betty White, *Board Trustee*

Betty White has called Manchester, Michigan home since 1981, making her one of the community's most longstanding residents. When MSCC leadership reached out about joining the board, she was more than happy to say yes, bringing with her over four decades of community knowledge and a genuine desire to serve.

A familiar face at the senior center, Betty enjoys taking part in exercise classes, card games, crafts, movie nights, and cribbage. She also serves as an advocate for her condo association, further demonstrating her commitment to community involvement at every level.

Betty joins the Board of Trustees as of March 2026 and looks forward to contributing her practical wisdom and deep Manchester roots to help guide MSCC in its mission of supporting local seniors.

*Thank you, Betty,
for your leadership
and dedication!*
