

MEET OUR *Board*

*Dedicated Leaders.
Caring Hearts.
Stronger Community.*

JOYCE SROUFE

Board Trustee

*“A warm, thoughtful, and
trusted voice who
believes in showing up
when it matters most.”*

”

Joyce Sroufe, *Board Trustee*

Joyce Sroufe is a lifelong Manchester resident whose deep roots in the community are reflected in her genuine commitment to its people. A trustee since 2023, Joyce brings warmth, wisdom, and a steady presence to the Manchester Senior Citizens Council board.

Professionally, Joyce built a distinguished 34-year career with Borders Group, Inc., where she worked in production control. That background in organization and operational detail has served her well in her volunteer and board roles throughout the community.

Joyce is perhaps best known for her early and instrumental role in launching the senior food service program. Her hands-on involvement at the program's inception helped shape it into the vital community resource it is today — a testament to her belief in showing up when it matters most.

As a board member, Joyce is easy-going, approachable, and consistently helpful — the kind of person colleagues turn to as a trusted sounding board. Her thoughtful perspective and friendly nature make her a valued voice in every discussion.

Outside of her board service, Joyce enjoys quilting, knitting, and crocheting — crafts that reflect both her creativity and her patience. She is the proud mother of six children.

*Thank you, Joyce,
for your leadership
and dedication!*
